

# Liholiho Elementary

# No Flu at School No Flu for You!

*Let's keep our school healthy and avoid getting sick! Please remind your children to:*

- Wash their hands often
- Cough into their elbow or a tissue
- Avoid sharing drinks and food
- Avoid putting their hands in their mouth, nose and eyes

**Help your child avoid getting sick with the flu by being vaccinated!**

The Stop Flu at School program will offer free flu vaccines for students on Friday, 02/03/17.

Consent forms will be sent home soon!

The flu vaccine  
is available
