Dear Parents,

Get ready to lace up those running shoes because the Keiki Run is here! The 2016 Keiki Great Aloha Run is a fun event for the whole family and a great opportunity to spend an active and healthy morning together. This event is open to students in grades K-5 along with their families and friends.

The Keiki Run is a safe, 1.5-mile run around the Neil Blaisdell Center and McKinley High School. It can be run, walked or strolled at your own pace. It is a family event, so we encourage parents to sign up and run with their child! There will be many race day events including the Great Aloha Run Fitness Expo, pre- and post-race festivities, and examples of school fitness activities. All run finishers will also receive a free Keiki Run t-shirt and a healthy breakfast!

This is also a great way to help raise money for our Physical Education program at Liholiho. If registered under Liholiho Elementary School, the Keiki Run will donate \$15 per person back to our PE program! Because of past Keiki Run fundraisers, we raised enough money to buy new jump ropes, basketball nets, soccer balls, and a stereo system to play music while we exercise during class! The money raised this year will be used to buy even more great equipment for our students to use during class to help them stay physically active.
