

# Liholiho Warriors Walk-a-Thon

## February 15, 2017

It's almost time for the Walk-a-Thon!

Remember to:

- Wear comfortable athletic shoes and socks
- Bring your water bottles to stay hydrated
- Stay in the marked course on the field
- Listen to your teachers, and finally...
- **WALK**, do not run, throughout the Walk-a-Thon course. **We want you to be safe and have fun!**

We will need volunteers to help with morning decorations, lap card stampers, and student supervision on the field. Volunteers may be parents or relatives of students. Thank you for your help!
