**Important Request**

Our Synervoice call out system will contact you via phone when emergency situations occur. We are asking you to put our school's phone number **(808-733-4850)** in your contact address book, to enable you to know the school is contacting you. The emergency phone system will leave a voice mail if you cannot answer the call. We are also requesting parents/guardians bring the completed enclosed SIS form to the Welcome Back to School event. This will update all communication numbers, (ie. home, cell phones, work and emergency phone numbers). Updates will enable the system to text emergency messages to your cellphone. The SIS form is included in this packet. Please *kokua* and bring the completed form to our Welcome Back to School night on August 3<sup>rd</sup>.
