

# The Liholiho Mindful Market is coming soon!

The Liholiho teachers and staff will be starting the Liholiho Mindful Market in the coming months! This initiative is an incentive program that allows teachers and staff to catch students showing good behavior during class, on the playground, and during lunch. It is a ticket reward system. If a child is showing good behavior and is following the 3 Be's, the teacher or staff member may reward them with a ticket called "Liholiho Loot." This ticket will give students in 1st through 5th grade access to purchase from the Mindful Market that will be set up monthly during school lunch periods.

**This is where we need your help!**

The Liholiho staff would love and appreciate any donations that we could "sell" in our market! We would appreciate the donation of any **new or gently used SMALL toys** such as race cars, bouncy balls, small action figures or figurines, small collectible toys, cards, puzzles, etc. (no stuffed animals) OR **school supplies** such as pencils, markers, crayons, journals, coloring books, notebooks, erasers, etc.

**All donations are voluntary.**

If you do decide to donate, please place items in a box or bag and label as "Mindful Market" along with your child's name. Please bring these items to the office to give to the school counselor, Cheryl Nishiki. Mahalo!
