

2018 KEIKI GREAT ALOHA RUN

SATURDAY, FEBRUARY 17

Get ready to lace up those running shoes because the Keiki Run is here! The 2018 Keiki Great Aloha Run is a fun event for the whole family and a great opportunity to spend an active and healthy morning together. Families will enjoy a safe, untimed 1.5-mile run around the Neal Blaisdell Center and McKinley High School. It is a family event, so we encourage parents to sign up and run with their child! There will be many race day events including the Great Aloha Run Fitness Expo, pre- and post-race festivities, and examples of school fitness activities. All run finishers will also receive a free Keiki Run t-shirt and a healthy breakfast!

This is also a great way to help raise money for our Liholiho Physical Education program! For every registered participant, the Keiki Run will donate \$15 per person back to our PE program!
