Liholiho Elementary's Emergency Texting System (LEETS)

Dear Parents and Guardians of Liholiho Elementary,

We will be holding a LEETS DRILL on Friday, March 16, 2018 at 5:45 p.m.

Getting emergency information to you in a timely manner is a priority.

In order to ensure that LEETS is functioning correctly, we will also be testing LEETS a few minutes before each Hawaii Emergency Management Agency monthly siren test.

~~If you have not yet opted-in to LEETS, follow the three steps below.~~

1. Start a text message to the number: 56360
2. In the message box, type the word: JOIN
3. Send your text message

If you are a T-Mobile subscriber and are getting the error "Service request denied" when trying to join LEETS, please call 611 on your mobile phone and ask customer service to enable "short code texting numbers" on your account. Then follow the three steps above to join LEETS.

If LEETS successfully processes your opt-in, you will receive the following text message:

"Thanks for joining school alerts."

If you receive any other message, please send in a sheet of paper with 1) your cell phone number, 2) your child's name, and 3) your name, to your child's homeroom teacher as soon as possible so we can update LEETS in time for the next drill.

At any time in the future, you may opt-out of LEETS by texting the word "STOP" to 56360. If you would like to opt-in again, you may do so by following the three steps above. Depending on your texting plan, messaging and data rates may apply.

If you have any questions please direct them to peterln@liholihc.org
