

The Liholiho Mindful Market

We started our Mindful Market! Students have been following the 3 Be's and our Habits of Mind and earning Liholiho Loot. Students in the whole school purchase items such as stickers, toys, notebooks, and other fun items of their choice. Thank you to all the families who donated items to the store.

Please, we need your help again!

The Liholiho staff would love and appreciate any donations that we could "sell" in our market! We would appreciate the donation of any **new or gently loved SMALL toys** such as race cars, bouncy balls, small action figures or figurines, small collectible toys, cards, puzzles, etc. (no stuffed animals) OR **school supplies** such as pencils, markers, crayons, journals, coloring books, notebooks, erasers, etc.

All donations are voluntary.

If you do decide to donate, please place items in a box or bag and label as "Mindful Market" along with your child's name. Please bring these items to the office to give to the school counselor, Cheryl Nishiki. Mahalo!
