What is Magic Camp? Taught by experts Dr. Brad Kerwin and Kristi Toguchi, Magic Camp is centered around the "Four Ps": Preparation, Poise, Presentation and Performance. Students learn communication methods effective for a wide range of audiences, acquire hands-on experience creating their own magical props and devices, and gain self-confidence perfecting their skills for their peers. Most importantly, they'll have a blast! The course builds to a Magic Show, where every child will get to be a star! Both new and experienced students are welcome.

Dr. Brad Kerwin has been performing and teaching magic for more than 30 years. As a state Close-up Magic Champion and the founder of the magic program at Punahou School, his outreach to local students is unrivaled. Along with his magic experience, he has 40 years of expertise in academic assessment in Hawaii's public and private schools, and is CEO of The Reading Company, Inc., Hawaii's premier academic coaching center and tutoring source for schools across the island.

Kristi Toguchi is an award-winning and world-renowned magician, aerialist, entertainer, and coach. As a third generation magician and performer, Kristi continues the tradition of magic in her family - she has been featured on dozens of TV shows, performances, movies, and has traveled the world teaching magic and dance arts to students of every age.
