BRICKS 4 KIDZ
AFTER SCHOOL PROGRAM TODAY!

We **Learn.** We **Build.** We **Play.**

Bricks4kidz at Liholiho Elementary (Gr K-5)

Our one hour classes explore architecture, engineering and technology concepts using LEGO® bricks. At Bricks 4 Kidz®, we believe it's important to tap into a child's potential by encouraging their curiosity and creativity in and out of the classroom. We reinforce S.T.E.M. based principles while enhancing self-esteem, improving fine-motor skills, and developing socialization. Kids will enjoy learning to build a new model each class!

NEW 2018 MODELS to build and enjoy!
