Space and Materials are limited to the first 20 Paid and Registered Students
(Minimum of 14 Students are needed per Class)

BRICKS Step-by-step building classes for kids who like structure, to creative, open-ended classes for kids who like to explore. Our program appeals to all learners.

Bots Coding comes naturally to children through the authentic, real world application of programming robots.

Beakers From forming hypotheses to drawing conclusion, kids become scientists and have a blast.
