

# Little Veterinarian School® Elementary

*Shaping the future of medicine.*

Little Veterinarian School® INSPIRES Elementary children to role play and explore the exciting world of Veterinarians. Using interactive demos, crafts and games, kids learn how to take care of a pet and use instruments that real Veterinarians use. Each student will take home their own stuffed animal dog that they will adopt along with dog bowl, dog journal, tape measure, white coat and more!

Our proven curriculum is FUN, EXCITING and EDUCATIONAL. Your child will learn to love pets and take care of pets!

Lessons include:

- What's in the Vet's Office?
- Who are the important members of the Vet clinic?
- How do I take care of my dog and keep my dog healthy?
- What to do when my dog gets hurt?
- Learn about ticks and how to properly remove them!
- Learn how vaccines can protect my dog from getting sick.
- Why do we take radiographs of our dogs and how to do it?
- Understand how my dog digests food.
- Learn different parts of the eye and understand eye troubles for dogs.
- Learn common dog body language and know how my pet is feeling.
- Design your own Vet clinic, understand types of jobs for Vets and Graduation!
