

# Hip Hop

Life is a dance

**Location:** Liholiho Elementary

**Day and Time:** Monday 2:30-3:15pm

Does your child dance around the house?  
Does your child have a lot of energy and  
charisma? Do you want your child to enjoy  
dance?

If so, then I would love to share with them  
my love for dance. Hip Hop can improve  
muscle tone, strengthen posture, increase  
balance and coordination and improve  
health. But the biggest benefit of dance is  
that it's fun. Your child will learn  
choreography to Pop and Hip Hop hits that  
currently dominate the airwaves. We dance  
to express not to impress.
