

# MAHALO

Thank you to everyone for your support and donations to our Liholiho teachers and staff this school year. These donations really make a positive difference in the children's classrooms and activities they participate in around campus.

In addition to a collective thank you to all the families for their support, here are a couple of shout-outs:

We at Liholiho Elementary would like to thank all of the teachers, staff members and families who have donated much to our Mindful Market Store throughout the year. You all have helped to sustain the store the whole school year and helped to encourage good behavior at Liholiho. We would also like to thank the people who volunteered their time in the Mindful Market: Marilyn Hashiba, Sandy Kam, Viki Arakaki, Jan Hirayasu, Therese Nitta & Gene Nitta. The students enjoyed shopping with the "loot" they earned by fostering the "3B's" and Habits of Mind. With the success of this initiative we hope to continue the Market next year as well. Again, thank you for your support.

Mahalo to the Sodehani, Florendo, and Dijos families for the consistent help and support throughout the school year in so many ways!

**Mrs. Wingert**

Hope you all have a wonderful, adventure filled summer. See you in the Fall!
